

**A MANIFESTO BY ALI-SOAH MWINIKUMO LOUISA, MSA**  
**TREASURER HOPEFUL, ON THE 4<sup>TH</sup> OF JUNE, 2021 AT THE I.C.T**  
**AUDITORIUM.**

I believe in the saying “there is nothing impossible under the sun” and everything is achievable and attainable with the right mindset. There is a need for refining ourselves personally and professionally in and out of the Medical Students Association (MSA). Hard work, enthusiasm, good communication skills, diligence and the natural ability to serve in the very interest of the people are the most valuable assets I can offer to any association.

The chairperson, dignitaries present, proud members of MSA, ladies and gentlemen. I am in the person of Ali-Soah Mwinikumo Louisa, the Treasurer hopeful. I stand before you this evening to present a detailed view of my manifesto. The chairperson, this manifesto seeks to salute the works of past and current Treasurers of our humble association and to exploit available avenues to strengthen this association. In order for this to be achieved, look no further than the most trusted person, Ali-Soah Louisa. The chair, I will see to the realization of the following policies when endorsed by the people.

The chairperson, on the area of FINANCIAL REPORTING, when elected into power, I will see to the regular presentation of detailed and comprehensive reports on the association’s financial position to allow members know the expenses, assets and liabilities of the association.

The chair, in addition, I will see to the realization of a strong financial base as enshrined in the UDSMSA CONSTITUTION in Art 5, clause 5, paragraph b. The treasurer by virtue of his or her membership in the fundraising committee shall seek monetary assistance for the association. I intend achieving this by creating a fervent relationship with donors and Non- Governmental Organizations(NGOs).

The chairperson, again, when elected I will do anything possible to see to the end of ‘DUES EVASION’ by sensitizing and reminding the good people of this association the need and importance of paying their dues as well as their financial commitment to the association. I believe this would go a long way to help.

Finally, chairperson, I would like to create an efficient way of collecting dues. When elected, I will make available mobile money accounts for members who find it difficult to make payments at the bank. This would make it easier and much more convenient.

The chairperson, dignitaries present, proud members of MSA, ladies and gentlemen, I understand the position of treasurer holds a lot of responsibility and I know I can carry out the tasks required to a high standard. With the help of the Almighty GOD and the endorsement of the people of this association, I am confident my tenure of office will move MSA towards the transparency and accountability that I have envisioned. I have faith in the members and I hope you will believe in me as well. Together, we can make UDS-MSA greater.

GOD bless MSA, GOD bless us all and thank you for your unwavering attention.
